

Important Dates for Year 7 Parents

Autumn Term

| | |
|---|---------------------------|
| College Opens | Thursday 30 August 2018 |
| Y7 Outdoor Activities Day | w/c 24 September 2018 |
| Year 7 Parents' Evening (Meeting with your daughter's tutor) | Thursday 18 October 2018 |
| Year 7 Progress Check 1 | Thursday 18 October 2018 |
| Mid Term Break | 22 – 26 October 2018 |
| Year 7 Progress Check 2 | Thursday 20 December 2018 |
| College Closes | Friday 21 December 2018 |

Spring Term

| | |
|---|----------------------------|
| College Opens | Tuesday 8 January 2019 |
| Mid Term Break | 18 – 22 February 2019 |
| Year 7 Progress Check 3 | Wednesday 27 February 2019 |
| Year 7 Parents Evening (Full Parents' Evening – meeting with all subject teachers) | Thursday 4 April 2019 |
| College Closes | Friday 12 April 2019 |

Summer Term

| | |
|--------------------------------|------------------------|
| College Opens | Monday 29 April 2019 |
| May Day | Monday 6 May 2019 |
| Year 7 Progress Check 4/Report | Thursday 9 May 2019 |
| Mid Term Break | 27 – 31 May 2019 |
| Year 7 Progress Check 5 | Wednesday 10 July 2019 |
| College Closes | Friday 12 July 2019 |

1. Your child's first day.

Start of term

Term starts for students on Thursday the **30 August 2018**.

Registration for Year 7 students is at 8.30am so girls should be on site at about 8.20am. On the first morning, students should go straight to the Main Hall.

Induction Days

On the first two days of the school year your daughter will be doing some induction activities to ensure that she gets to know the other girls in her tutor group and is well prepared to start work and know clearly what is expected of her. She will then start her normal timetable of lessons on Monday 3 September 2018

What to wear

We ask parents to support the College Dress Code and ensure that their daughter is in the correct College Dress every day. The College reserves the right to decide on the suitability of any items of clothing. Should you be unsure about anything, we urge you to contact us before purchasing. Please note, the 'unacceptable' list is not exhaustive, and we expect parents to support the spirit of the College Dress Code. This guide does not attempt to deal with every aspect of clothing - what it is offering is a guide to a common-sense approach to dress, one that gives ample scope for individuality within the broadly stated aim of the College. You may choose to buy a sweatshirt and polo shirt with the College logo which can be purchased from **John Cheattle Schoolwear at 40 Humberstone Gate, Leicester -0116 2518082**.

College Dress Code

| Item | Acceptable | Unacceptable | Additional Notes |
|-------------------------------------|---|---|--|
| Trousers | <ul style="list-style-type: none"> • Plain smart black • Flat or pleated front • Full length bootleg or straight style | <ul style="list-style-type: none"> • Cropped /shorts/rolled up • Skinny or flared leg • Jeans or denim • Jeans “style” or combats • Leggings/jeggings/tracksuits • Zips that show • Large belts • Buckles/ laces • Pin stripes | Belts should be worn within belt loops and not for decorative purposes. If worn with boots, trousers should be worn outside boots. |
| Skirt | <ul style="list-style-type: none"> • Plain smart black • Modest length • Pleated or plain A-line style | <ul style="list-style-type: none"> • Skinny fitting styles/tube/jersey/lycra/bandeau/clingy fabric • Large belts, buckles, laces, pin stripes • Denim • Slits • Jubbah/shalwaar kameez/abaya • Floor length • Pinafore dresses | Skirts must cover three quarters of the upper leg as a minimum. |
| Blouse | <ul style="list-style-type: none"> • School range • Plain white • Must have collar • Fitted/ tailored | <ul style="list-style-type: none"> • Coloured • Embroidery • Capped sleeves • Patterned • Midriff on show • Sheer/transparent • Frills or embellishments | Any vest/top worn underneath should be plain white, and the blouse should <u>remain buttoned up</u> to cover this. |
| Polo shirt | <ul style="list-style-type: none"> • School range • Plain white • Must have collar | <ul style="list-style-type: none"> • Coloured • Embroidery • Capped sleeves • Patterned • Midriff on show | |
| Tights / Socks | <ul style="list-style-type: none"> • Tights - Plain black or flesh coloured – school range • Socks – Plain black or white ankle | <ul style="list-style-type: none"> • Patterned or footless tights | |
| Sweatshirt /jumper/ cardigan | <ul style="list-style-type: none"> • Plain black | <ul style="list-style-type: none"> • Coloured hoodies • Logos/name brands other than the SJNCC logo • Embellished/Lace/transparent fabric • Floor length cardigans | Hoods are not to be worn up in College. |
| Coat | <ul style="list-style-type: none"> • A waterproof coat | <ul style="list-style-type: none"> • Coloured sweatshirts/hoodies | Coloured sweatshirts/hoodies are <u>not</u> suitable to be worn as a coat. |

| | | | |
|-------------------------|---|--|---|
| Shoes | <ul style="list-style-type: none"> Plain <u>black</u> leather or “leather look” shoes or boots | <ul style="list-style-type: none"> Daps/Plimsoll’s/Vans/Converse Trousers tucked into boots Trainers Flip flops Heels over 2”/large platform soles Ugg/Ugg-style or knitted boots Studs/chains/decorations | Trainers are only to be worn when participating in a sporting activity. Boots must be fully laced up. |
| Head / hair wear | <ul style="list-style-type: none"> Plain black or white headscarf Plain black or white hair bands, “bobbles and clips” | <ul style="list-style-type: none"> Embellished or decorated Coloured | Hats should not be worn indoors at any time. |
| Dance Kit | <ul style="list-style-type: none"> Plain white t-shirt, vest top or SJNCC dance t-shirt Black sweatshirt Black tracksuit trousers or leggings Trainers and white socks | <ul style="list-style-type: none"> Zips or buttons on sweatshirts (Health and Safety) | |
| PE Kit | <ul style="list-style-type: none"> Plain white t-shirt or polo shirt Black shorts or tracksuit trousers White socks Black sports leggings only for trampolining, aerobics, health and fitness and fitness activities Sports Trainers only | <ul style="list-style-type: none"> Zips or buttons on sweatshirts (Health and Safety) <u>Pumps/Converse/Vans</u> Hair down (it must be tied back) | Year 7 will also require a swimming costume and a towel. |
| Other | <ul style="list-style-type: none"> Any make up worn should be discreet 1 small pair of stud/sleeper earrings/small nose stud Watch ID cards to be worn on lanyard <u>at all times</u> (these will be provided) Nails must be of a suitable length for PE | <ul style="list-style-type: none"> Extreme, non-natural hair/weave colours e.g. pink, blue, red, green – including dip dyed Heavy make up <u>Any</u> item of jewellery other than those listed - including facial piercings Ear stretchers | If a lanyard is lost it is the responsibility of the student to buy a replacement. |

IT IS **EXPECTED** THAT ALL STUDENTS WILL FOLLOW THE COLLEGE DRESS CODE. YEAR 7 TUTORS WILL CHECK COLLEGE DRESS REGULARLY.

2. Equipment – what does your child need to bring to school?

The Basic Essentials

She will need to have these with her **every day**:

- Two pens, pencils, rubber, a 30cm ruler, glue stick, felt tips and pencil sharpener will be needed for many lessons.
- A strong school bag in which to carry books and equipment.
- Dinner money to load onto her card. If your daughter has to bring money to school she should wear a purse with a shoulder strap that can be worn under a jumper or a zipped money belt.

What equipment or books do I need to buy?

The following is a list of items that you will need to provide for your daughter, in addition to the basic essentials:

English – A thesaurus, highlighter, red, black and green biro pens, scissors and glue stick are essential items to use during lessons.

Mathematics – A pair of compasses, a protractor and a basic calculator.

Science – A basic calculator (same as for maths), green biro pen, coloured pencils and glue stick.

Humanities – Coloured pencil crayons, glue stick, red and green biro pens.

Expressive Arts – Students will need to bring their PE kit for dance lessons. An A3 sketchbook is essential and must be brought from the College for £4.50. This should last her for the majority of Key Stage 3. Pencils (2B and 4B), pencil eraser and pencil crayons are needed for Art.

Food Technology – Students will cook on alternate weeks. We provide ingredients for practical lessons at £2.00 per student. Students may bring all of their own ingredients into school for practical lessons. Details of all recipes are on the school website to help students and parents/carers to plan for these lessons.

Textiles Technology – Students will complete two designs and make projects during each rotation. Materials (fabric, beads etc.) can be purchased from the school.

Students can bring their own materials and components into school to use. We also provide some free materials to students from donations made by local companies.

Electronics – Students complete one project per rotation. Students need to purchase electronic components for their project work (circuit boards etc). In Year 7 this is £1.50 and Years 8 and 9 it is £3-£5

Resistant Materials – Students complete three designs and make projects in Year 7 which cost £2 in total. In Years 8 and 9 students complete one longer project which costs £2 per student. Students can also purchase various components to embellish their projects.

PE Kit - A plain white t shirt or polo shirt, black shorts/tracksuit bottoms, white socks and sports trainers (pumps, Converse and Vans are not acceptable). A plain black sweatshirt (no zips or buttons). Thick black sports leggings only for aerobics/trampolining/gymnastics/health and fitness/fitness activities/dance are optional. Hair bands must be supplied by the students and hair should be tied back. Nails should be of a suitable length.

All clothing and belongings should be clearly marked with your child's name.

ALL jewellery must be removed and placed in the valuables box at the beginning of the lesson during PE and dance lessons for safety reasons. Any valuables must also be placed in this box and not left in the changing rooms. Any new piercings are advised to be done in the first week of the summer holidays to ensure that they can be removed for their first PE lesson at the College. It is the students' responsibility to take out their earrings and put them back in at the beginning and end of each lesson. Taping over of jewellery is NOT permitted due to new Health and Safety guidelines.

3.Transport – How will your child get to school?

Many students take a bus or walk to school. Please contact Arriva for information about bus routes and times. The phone number of their 'Travel Line' is **0871 2002233**. Confidence Buses **0116 2762171**

Students may use a bicycle to get to school. There are bicycle racks available. You will need to supply your own lock and chain to secure the bicycle. Students must wear a bicycle helmet for their own safety.

If you choose to drive your child to and from school, please be aware that the staff and visitor car park or school drive should **NOT** be used for dropping off or collecting your child or turning your vehicle around. This is to ensure student safety. Students

should be collected away from the school entrance. Students must use the traffic lights for crossing the road. Please refrain from blocking the school entrance, parking on yellow lines, double parking or blocking the driveways of residents on Knighton Lane East.

4. Making contact with the school.

Your daughter's tutor is the main point of contact for parents, students and staff. Any more serious concerns should be directed to the Progress Leader, who can also discuss any issues about your daughter and her school career. The Progress Leader will liaise with the Senior Leadership Team as appropriate. It is helpful if you contact the College first and make an appointment if you would like to see a member of staff, as all teachers, including Progress Leaders, have lessons during the day and may not be available to meet with you immediately.

5. Behaviour Expectations

Behaviour expectations are made very clear to all students. The SJN Positive Behaviour Code is displayed in every classroom and all students are expected to follow it. Normal procedure is that if a student chooses not to follow the rules or a teacher's instructions she will be removed from that lesson and will work at the back of another classroom on the first few occasions. You will be notified either by phone or by letter when this happens and the student may be placed on report. If there is a fifth incident, she will have an internal exclusion, working in supervised isolation from 10.30am until 4pm in the Inclusion Centre. If she is removed from lessons seven times, she will be given a fixed term exclusion.

| |
|---|
| It is important to note that very few students are removed from lessons. Most students end up being eligible for rewards. If a student is finding it difficult to follow the School Behaviour Code, we will support her and work with parents to improve her behaviour. |
|---|

Students are expected to enter classrooms quietly, settle quickly, remove coats, have the correct equipment and follow all instructions.

Bullying

Bullying in any form is not tolerated at College. Any concerns should be directed to the Progress Leader as soon as possible. Students can also attend FABAD (Friends Against Bullying and Discrimination) lunchtime club.

Rewards for good behaviour

Sir Jonathan North is a school that recognises success and rewards good behaviour. Key Stage 3 Students are awarded merits for good work in lessons. Students record their merits in their planners and once they have accumulated enough merits they receive certificates. In order to receive certificates, students have to earn the following numbers of merits:

| | |
|-----|----------------------|
| 15 | Bronze Certificate |
| 30 | Silver Certificate |
| 50 | Gold Certificate |
| 70 | Platinum Certificate |
| 100 | SJNCC Award |

Students are also awarded certificates for attendance each term.

| | |
|--------------------|----------------------|
| 96%-96.9% | Bronze Certificate |
| 97% - 99.9% | Silver Certificate |
| 100% | Gold Certificate |
| 100% with no Lates | Platinum Certificate |

At the end of each term, every student's attendance, punctuality and behaviour will be reviewed. Those students who meet the reward criteria are eligible for the end of term reward event. The Progress Leader will organise a reward event appropriate to the year group.

6. Student health

A First Aid Officer is available to deal with any **emergency** medical concerns that arise during the day. She is available in the medical room during break time. In the case of a medical emergency, your daughter will need to report to student reception who will then contact the First Aid Officer. If your daughter is judged to be too unwell to remain at College, we will contact you (or the named person on the contact form) and arrange for your daughter to be collected. **It is important, therefore, that if you change your address or telephone number, you let us know immediately.** The school is unable to give pain killers. If your daughter is likely to need to take some during the day, she should carry 2 tablets with her.

Supporting Students with Medical Conditions

Please ensure that you have informed the school in writing about any health issues or concerns. Please do not rely on information automatically being transferred from the Primary Schools as on occasion there might be a delay in the transfer of files. Most children with medical needs can attend school regularly and take part in normal activities, sometimes with some support. However, staff may need to take extra care in supervising some activities to make sure that these children, and others, are not put at risk.

Your daughter is allowed to bring medication into College. If your daughter requires medicines to be kept on the school site please contact the College. Our SENCO will arrange to meet with you and produce a General Care Plan which requires your signature. We will ask you to provide full information about your daughter's medical needs, including details of medicines that your child may require. All medication e.g. spare epi pens, spare inhalers should be handed in to the First Aid Officer for safe-keeping. Please note the expiry date and supply replacements as necessary.

Drinking water

Students are allowed to have a clear bottle of drinking water with them during lessons. They must keep the bottle in their school bag during lessons like Science and ICT for health and safety reasons. Bottles must be clear and have a "sports bottle" type top. Drinking water is also available at school. Bottles can be filled before school, after school and during break and lunchtimes only.

7. Attendance and Punctuality

The morning session begins at 8.30am. Please ensure that your daughter is always on time for registration. It is expected that students will achieve between 96% and 100% attendance, although, clearly there would be exceptions in the case of a genuine serious illness. If your daughter is ill, please contact the College to tell us and keep us informed if the illness lasts more than 2 or 3 days. If you have not contacted the office, it is likely that you will be phoned or receive a text about your daughter's absence. A note should be written to your daughter's tutor explaining any absence and brought in **on the day of her return**. The school phone number is **0116 270 8116**.

Medical Appointments

Students are not allowed to leave the College during the day unless a note is brought from home in advance. We ask you to make doctor's and dentist's appointments outside College hours where this is possible. If your daughter needs to go to a medical or dental appointment during the day, **she must have a note from you, which will be signed by her Progress Leader so she can obtain a pass from the office**. We can only issue passes on receipt of a letter from home.

8. Classroom and tutor group organisation.

Primary Schools are asked to give information regarding friendship groups. As far as possible these are accommodated within tutor groupings. If you have a concern, please raise it with the Progress Leader **by the end of the week following Transfer Day**. It may not be possible to change tutor groups but we will do our best to accommodate requests. Your daughter will be taught within her tutor group for a number of subjects but students are grouped according to ability in many subjects from half term. At the start of term, students are tested for their reading and spelling ability. They are also CATs tested (quantitative, verbal and non-verbal abilities). Consideration is also given to Teacher Assessment from Primary School, KS2 SATs results and Teacher Assessment in College.

9 . Reports on your child's progress

Formal contact is made four times during the year in Year 7. There is a **Year 7 Parents' Evening** in the first term where you will meet with your daughter's tutor. There is also another Year 7 Parents' Evening in the third term when you will have the opportunity to make an appointment with your daughter's subject teachers. Your daughter may attend these meetings if you wish. You will receive a brief **progress report** in the first term, which will reflect you daughter's progress and effort. A more detailed **report**

will be sent home with your daughter during the summer term. You are welcome to contact teachers in College if you would like to discuss your daughter's progress.

10. Curriculum information

Swimming

All Year 7s will take part in swimming during PE for half a term. There will be a nominal charge for this. As with all subjects, swimming is a part of the National Curriculum and, as such, is not optional. All students will be expected to take part, as with all lessons. Students are expected to wear their own swimming costume. In some cases, students may wish to wear leggings and a long sleeve t-shirt over the swimming costume. We try to ensure that the swimming pool environment is female only and changing room facilities include individual cubicles.

Learning Resource Centre

Your daughter will take part in a library lesson once a week during Year 7. She will be allowed to read, change books etc before school from 8.15am, at break and lunchtimes. If your daughter wishes to access the Learning Resource Centre, a pass will need to be collected on the morning of the day that she wants to go in and will need to be handed in when she enters the LRC. Your daughter may also use the LRC after school until 3.30pm. There are **no charges to use the resources available**. She will need to use her Student ID card to take out a book.

11. Home Learning

In Year 7 your child should spend about 20 minutes on each subject. She will have 2-3 subjects per night. She will be record the work set in her planner.

Student Planners

All students are issued with a student planner at the start of the year. These are used to record their timetable and learning. If used properly, the planner is a major help in ensuring that a student is well organised and prepared. For this reason we ask you to check and sign the planner on a weekly basis and talk to your daughter about how she is managing her work. Parents will also be provided with an online login for SMHW an app which will be used for setting homework and notifications. The learning mentors

run homework clubs twice a week, once after school and once during lunch. Your daughter should consult her tutor for more details.

12. Support for your child

English as a Second Language

Appropriate support is provided by the Skills for Learning, Skills for Life Team.

Year 10 Student Mentors

Your daughter will have today met her Student Mentors, a small group of girls who will be in Year 10 next year. They have been trained to be available to offer any support and guidance that she may want. Student mentors will visit tutor groups once a week for the first half of the Autumn Term. They will lead discussions on a variety of topics relevant to transition into Year 7. Girls can arrange to meet their Student Mentors as few or as many times as they choose.

Learning Mentors

Rasila Sidpara is the learning mentor responsible for Year 7 transition. Primary schools have already identified students who they feel will benefit from extra support at the start of Year 7. If you feel that your daughter is struggling to settle or would benefit from some extra support for another issue, please discuss this with your daughter's tutor or Progress Leader.

Safeguarding

The SJN Safeguarding Policy is available on request.

Pupil Premium grant

After a successful trial last year, we will once again be allocating each eligible student £100 of Pupil Premium funding to use toward educational resources and activities.

If your daughter is eligible for the Pupil Premium grant, you may request for items to be paid for from that grant up to the amount of £100. Please note that only school items may be purchased with this money. A full breakdown can be seen by downloading the Pupil Premium Grant document found on the College website.

13. Trips and Visits

Students will have the opportunity to go on a number of visits during their five years at SJNCC. During Year 7, students will participate in an Outdoor Activities Day. They will also have the chance to be involved in humanities trips. At the end of the year, all students who have behaved well and have good attendance and punctuality will earn the opportunity to go on a day trip as a reward for their efforts. Students might also be invited to go on a trip as a part of their year group reward system. Many trips and

visits require that parents/carers make a voluntary contribution in order that they can proceed.

14. Mobile phones and valuables.

Students can have mobile phones in school, but they must be switched off and kept at the bottom of their bag. However, your daughter does not need a phone during the school day as in any emergency, her Progress Leader can give permission for her to use a phone at school. **If you need to contact your daughter in an emergency, a message can be relayed to her via the Main Office.** If a student's phone is seen or rings during a lesson it will be confiscated and stored in the College safe for collection at the end of the school day. Parents will be notified by letter if this happens. Students who have their phone confiscated three or more times will not be able to collect their phone. A parent will need to collect the phone from reception on their behalf. Students should not carry large sums of money at school or other valuables such as iPods. Jewellery should not be worn. **Your daughter is responsible for her belongings at all times.**

15. Lunchtime arrangements

Students may choose between a packed lunch and a school dinner. Some students are entitled to a free school meal. You may also give your daughter written permission to go home for lunch – although this is not encouraged in Year 7 as there are many lunchtime activities for them to participate in and make new friends. When a parent gives his/her daughter permission to go home for lunch they will need to take responsibility for her during this time and ensure that they arrive promptly for lesson 5. Students are not allowed to spend lunchtimes on Knighton Lane East, they must move away from the school area for the whole of lunchtime. Students who abuse this privilege may have their permission to go off site for lunch withdrawn. Any changes to your daughter's dining arrangements must be made in writing and handed in to her tutor.

Free School Meals

Students who are entitled to a free school meal should collect the appropriate form from reception or online. It is the responsibility of parents to claim for free school meals. The school does not deal with free school meal claims. You will therefore need to ensure that your application is made and your entitlement assured before the start of the school year. Late applications will mean that your daughter will not be able to receive a free school meal until the Local Authority have processed and authorised your claim.

Break and lunchtime supervision

There are teachers on duty around the school during break time. During lunch there are lunchtime supervisors on duty. Year 7s will be allowed to access the dining hall 10 minutes before the rest of the College. Students are not allowed in the school building during lunchtime and break time unless it is raining. Students are allowed to collect library passes for break and lunchtimes.

Lunchtime or after-school clubs

There are many lunchtime and after school clubs and activities that your daughter can attend. The PE faculty has a range of **sporting clubs** which your daughter can join and many sports teams that play fixtures against other schools. Expressive Arts offers the opportunity to take part in the **Choir or attend Digital Art club**. There is also an **annual production** for which students are encouraged to audition. There are a variety of **afterschool clubs, and a timetable will be issued of all extra-curricular activities shortly after the start of the Autumn Term**. Participation in most clubs is free. The 2018/19 programme will be published to all tutor groups in the first few weeks of term through the student bulletin and read out during morning registration every morning. You can find out about many activities on our College website.

Other places where your daughter can look are the subject notice boards and by speaking to subject staff. **Most** activities are **free** and are **open to everyone**. Expressive Arts **lunchtime clubs are also free**. Additional visits or workshops may have cost implications, which will be made clear. Other curriculum teams run voluntary lunchtime clubs at various times of the year.

16. Instrumental lessons – Arts in Education.

As peripatetic music provision in the city is no longer provided by the council, the Governing Body has reviewed the provision at Sir Jonathan North. We are pleased to advise parents that instrumental lessons will continue at the College with tuition provided by music tutors and that there is a small subsidy available for the academic year 2018-2019.

If you require further information, please contact Mrs Glynn, Curriculum Team Leader for Expressive Arts on 0116 2708116 or email vglynn@sjncc.leicester.sch.uk.
