

Sir Jonathan North Community College

September 2018

Dear Parent/Carer

Re: Important dates and contact information.

Welcome back to the start of another exciting academic year. Students have now completed their first full week in Year 9 at Sir Jonathan North. To help you to support your child, we would like to give you some information about the year ahead.

As I'm sure you are all aware, this year is a very important one for our students. They are rapidly growing up and will be making important choices regarding their GCSE examination courses very soon. Our aim is to ensure that every student in the year group is able to make sensible, informed choices when the time comes. In order to make sure all students fulfil their potential we have the following high expectations of our students;

- That they will come to school on time every day to join in tutor activities and lessons
- That they will be in full college dress according to the college dress policy
- That they will come to school with the correct equipment for the day such as pens, pencils, a ruler and any exercise books they need
- That they will follow our behaviour guidelines and participate fully in their education

Students should also have high expectations of their teachers, tutors, other members of staff, and of themselves. By doing this our students will have the best possible choices available to them.

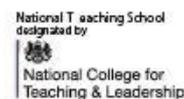

Please find enclosed an Information Magnet that we hope you will find useful. You will be able to find the names of staff within the Progress Leader Base, important dates within the college calendar such as Parents' Evenings and Options Evening, and contact details for the college.

I look forward to working with all parents and carers over the next year. With your support I am sure that Year 9 will enjoy another hugely successful year. Please feel free to contact any member of the year team should you have any concerns or questions.

Yours sincerely

Mrs K Goodwin

Year 9 Progress Leader
